## 👤 PROFILE

I am a self-motivated and ambitious lady currently pursuing my studies in Information Systems at Great Zimbabwe University. I have a strong passion for technology and its applications in today's interconnected world. To complement my academic pursuit, I actively seek opportunities to gain practical experience in the field. I have honed my skills in areas such as database management, software development, networking and web designs. These experiences have provided me with a solid foundation in understanding the complexities of information systems and their role in modern organizations.

## 🧩 CAREER OBJECTIVES

To enhance Academic and Professional learning experience through involvement in industrial technological fields, thus enabling me becoming creative individual. With this passion of learning new technologies, I am looking forward to acquire strong knowledge in information Systems.

## 🧠 SKILLS

- Microsoft packages eg Ms Access, Ms Excel, Ms Word, Ms Power point
- SQL
- C# Programming
- Web Programming
- Python
- Object Oriented Programming (Java)

## 🔧 PERSONAL QUALITIES

- Good communication skills
- Attention to details
- Team player
- Time management
- Strategic planner
- Business analysis

## 🎓 EDUCATION

- Great Zimbabwe University Bachelors Of Commerce Hons Degree In Information Systems (August 2023 – Ongoing)
- A LEVEL 3 Advanced Level Passes in Economics, Business Studies, and Accounting.
